

FOR IMMEDIATE RELEASE

iXerv Americas Announces Strategic Partnership Alliance with Eightfold.ai Enables iXerv to improve the Talent Acquisition and Talent Management processes for its SAP SuccessFactors consulting customers.

Miami (August 18, 2020) – iXerv Americas, a leading provider of consulting and strategic solutions for SAP® SuccessFactors® Human Experience Management (HXM) solutions across the Americas, today announced that it has entered into a strategic partnership with Eightfold.ai, the inventor of the Talent Intelligence Platform™ the first AI-powered solution for enterprise talent needs. Through this partnership, iXerv will improve the Talent Acquisition and Talent Management processes of its customers.

Using deep learning AI, the Eightfold platform matches workers with open roles based on their experience, skills and potential, location, and desired jobs. The Eightfold Talent Intelligence Platform provides technology that integrates with SAP SuccessFactors to impact all aspects of the talent journey, including talent acquisition, talent experience, diversity, internal mobility, upskilling and reskilling, and career planning. Through the Talent Intelligence Platform, businesses that use SAP solutions are able to transform their workforce by reskilling current talent to react quickly to organizational needs, providing internal job opportunities to retain and motivate employees, recruit more efficiently, and more.

iXerv will become a key implementation and integration partner for Eightfold.ai across the Americas. Bringing its industry recognized expertise and track record in selling and delivering HR transformation with SAP SuccessFactors HXM Suite, iXerv will support the growth and sales of Eightfold products across the region.

“The Eightfold Talent Intelligence Platform is one of the hottest HR technologies available today. It encompasses a range of technologies that provide genuine advantage to customers looking to recruit the best talent in the market,” said Luke Marson, President at iXerv Americas. “This transformational technology leverages genuine machine learning and AI to bring the best talent to customers and I am confident this value proposition will be a huge hit with our existing and future customers.”

“We welcome the alliance with iXerv, to assist with implementation of our Talent Intelligence Platform,” said Kamal Ahluwalia, President of Eightfold.ai. “They are a leading consulting and integration company focused on SAP SuccessFactors, one of our key partners. Together we will help our joint customers obtain the greatest value from their Human Experience Management investments.”

About iXerv

iXerv is a certified SAP gold partner and has received the “Recognized Expertise in SAP SuccessFactors® Employee Central and Payroll Solutions” and “Recognized Expertise in SAP SuccessFactors® Talent Solutions” designations for its track record of customer success in both Employee Central and Employee Central Payroll, as well as in SAP SuccessFactors talent management solutions. A strong core HRIS is a critical part of every successful cloud HXM landscape and iXerv invests its focus on Employee Central. iXerv’s global team of HXM experts ensure the proper implementation, integration, optimization and support of the SAP SuccessFactors suite of solutions. iXerv’s own range of software solutions extend the value of SAP SuccessFactors for customers.

About Eightfold.ai

Eightfold.ai® delivers the Talent Intelligence Platform™, the most effective way for companies to retain top performers, upskill and reskill the workforce, recruit top talent efficiently, and reach diversity goals. Eightfold.ai’s deep learning artificial intelligence platform empowers enterprises to turn talent management into a competitive advantage. In April 2020, Eightfold.ai launched Talent Exchange, a place to help all companies and individuals impacted by COVID-19 to flatten the unemployment curve.
